### South, North High Nines Earn CIF Playoffs Bid

Both South High and North High have been invited by CIF Commissioner Kenneth Fagans to participate in the baseball playoffs for the AAA division championship.

The first and second place teams in each league always participate in the playoffs, but there was some doubt this year as to whether the two Torrance schools would get to play since there was a three-way tie between them and Mira Costa for second place in the Bay League. Due to lack of ties for second, or first place, in other leagues, Commissioner Fagan announced Monday the two schools would be able to play.

South High meets the number two team from the Pioneer League, Aviation, tomorrow on the Falcon's diamond. North High will travel to Ventura to

meet the number one team from the Channel League.

South earned their spot in the play-offs by winning eight of its last nine contests. This was after losing its first five league tilts. The Spartans, coached by Jerry McIlvaine, dumped North, 4 to 4, in the final Bay League contest for both squads, to throw the league into the three-way tie.

Bob Shoup's Saxon men played good, consistent ball throughout the season to take the second spot behind league champion Morningside. The Monarchs will meet Santa Barbara tomorrow at MHS.

### Pintos Maintain Perfect Record, Win Two More

Maintaining their unbeaten record in the Pacific-Riviera Pony baseball league, the Pintos scored their fourth and fifth wins last week at Kissel Field, defeating the Wranglers, 8-2 and the Mustangs, 6-2.

Mike Montgomery homered with one on in the first inning against the Wranglers and Bill Desmond pitched a neat three hitter. In the second game, Ken Phau also came up with a three hitter for the Pintos.

The Colts and the Roans stayed in contention, both posting double wins. The Colt's bats were booming as they clobbered the Broncos 13-4 and the Mustangs 18-4. In the second game, Tom Zuber homered in the second inning for the winners.

The Roans nudged the Wranglers 9-7 as Greg Reddicks contributed a home run to the losing cause and also downed the Broncos 9-3 on Dale St. John's three hitter. St. John struck out 17 men.

### Adams Hurls Pony League No Hitter

Genio Adams registered the first Central Pony League no-hitter of the year Sunday night as he led his Indian teammates to a 9 to 1 victory over the Yanks.

Ricky Wroge also played a major part in the victory as he belted the seasons first home run out of Mobil Park. Wroge's homer came with a man on. The big inning for the Indians was the third when they jumped on the Yanks for seven runs.

Earlier in the day, Steve Melchert had struck out 13 foes to guide the Tigers to a 9 to 0 victory over the Cards. Tigers batsmen clobbered nine runs on only three hits.

In Saturday's tilt, Ken Ishibashi hurled a one-hitter and Jim Gjornes went two for two at the plate to lead the White Sox to a 3 to 1 victory over the Red Sox.

The White Sox also picked up a victory on a forfeited game from the Yanks that was tied at 9 to 9 on Thursday night.

### Cubs Take Two Over Weekend

Bill Bergerson smashed out a home run and Mike White turned in a fine pitching performance to show the way for the Cubs' 9 to 1 win over the Dodgers in a Tordondo Little League tilt.

Saturday, the Cubs picked up another win as they out-gunned the Braves, 11 to 7. Dick Moore's home run and single accounted for four of the winning runs.

After giving up three runs to the Dodgers in the first inning, the White Sox bounced back to hang an 8 to 5 defeat on them. Bruce Read went the distance to take the nod. Charley Lee, who also went the route, was shackled with the defeat.

In a tight pitchers battle, the Senators squeaked past the Yankees, 3 to 2. Frankie Steward and Steve Sierra teamed up to outpitch the sole Yankee hurler, Kenny Gromberg. Taking advantage of Indian errors, the Tigers ran up ten runs in the first inning and then coasted to a 12 to 2 decision. Greg Butterfield struck out eight men for the winners.

### Seals Boast Clean Slate After Week

With the close of the first full week of play on Sunday, the Seals led the Babe Ruth League with a 2-0 record. The Dons and the Dodgers shared the second place berth with 1-0 slates.

The Seals have worked their way to the top on the basis of slick fielding. The Seals have shown a drum-tight defense in allowing only three runs in two games. Against the Elks, the league leaders pulled off a rare triple play. In the same contest, the Elks pulled off a pair of double killings.

Batting honors go to the Dons. The only four-baggers of the season have come on Tommy Cooper's grand slam home run and Les Dutchers circuit clout.

The league general meeting will be held on Monday.

### Modified-Sportsman Autos Set At Western Speedway Saturday

Fifty cars and drivers will go into action Saturday night at Gardena's Western Speedway in the second round of Modified-Sportsman Car races on the one-third mile oval in a nine event program.

Leading the field will be four top pilots, Jack Clegg, Santee; Bob Hogle, Buena Park; Art Pratt, Escondido; and Jack Kelly, Long Beach, anyone of which could sweep the nights racing program.

Clegg, will pilot the new

\$8000 car built by the Jackman Steel Co of El Cajon, powered by a fuel-injection Corvette engine. Hogle goes after his first win of the year in the Leon Kimball speedster also housing a Corvette engine.

Pratt the three time champion, looking for his fourth consecutive title at the wheel of a Buick powered machine, and Kelly making his first 1961 start at the wheel of Mel Allen's brand new Buick powered racer.

## Ascot Hosts Cycles Tomorrow Evening

One of the tightest races in many seasons for the motorcycle championship of Ascot Park, Gardena, hits an early season climax tomorrow night, when a field of 94 riders take part in a 16-event AMA program.

Racing on the fast half-mile oval starts at 8:30 o'clock, one-lap qualifying at 7.

Leading the pack are the "Big Four" of 1961, better known to Ascot fans as the ESA Wrecking Crew of Neil Keen, Pasadena; Al Gunter and Stu Morley, Los Angeles, and Jack O'Brien, Santa Monica.

Never before have four riders dominated expert class standings as has this quartet since the first night race meet April 7.

BEGINNING to close in, however, are such favorites as Joe Leonard, San Jose; Sammy Tanner, Bellflower; Troy Lee, Pico Rivera; Johnny Gibson, Duarte; Don Smith, Richmond;

and Johnny Muckenthaler, Gardena Grove.

There's another scramble developing in the novice class with Iowan Duane Shadley still in front, but being chased by such first year stars as Bill Disney of Olympic Games ice skating fame, Clyde Litch, Gene Montgomery, Jeff Sperry and Johnny Rice.
